ICSSR Annual Report 1995-96

I GENERAL

This is the Twenty-seventh Annual Report of the Indian Council of Social Science Research (ICSSR) covering the period 1st April 1995 to 31st March 1996.

The ICSSR's main deliberative body known as the Council has twenty-six members—a Chairman, eighteen social scientists, six representatives of the Government of India nominated by the Government and a Member-Secretary appointed by the ICSSR with the approval of the Government of India (Appendix-1).

On 31st March 1995 the term of Prof. C.T. Kurien, Prof. Andre Beteille, Prof. M. Zuberi, Prof. Randhir Singh, Prof. Indra Deva, and Prof. Arun Ghosh came to an end.

The Office of the Chairman had fallen vacant as a result of sad demise of Professor G. Ram Reddy on 2nd July, 1995. The Government of India formed a Guidance Committee on 26th February, 1996 headed by Professor (Dr.) Armaity Desai, Chairperson, U.G.C. with Professor M. Zuberi and Professor Atul Sarma as Members.

The Government of India has nominated six members against the vacancies caused on 31st March 1995. The new members are Prof. Y. Madan Gandhi, Prof. (Ms) Niru Hazarika, Prof. (Ms) D.J. Modi, Prof. A. Vaidyanathan, Prof. Mihir Rakshit, and Prof. M. Zuberi.

The Council has, apart from itself, seven other committees comprising members drawn both from the Council and also from outside (not more than three). The following table shows the number of meetings of the Council and its standing and functional committees held during the year 1995-96.

ICSSR SECRETARIAT

The ICSSR Secretariat is headed by the Member-Secretary and has a total strength of 73 officers (Appendix 2), Administrative and Accounts secretariat, clerks, and library assistants, etc. The Council's professional staff have been academically active and contributed a number of seminar papers, doctoral theses, and research reports.

II RESEARCH PROMOTION

Promotion of research in social sciences is the objective for which the Council was constituted. This it does mainly by (1) keeping track of literature, researches, and trends in social sciences research in the country through its Survey of Research series; (2) inviting new research proposals under its research projects and other specialized research programmes; (3) granting various types of research fellowships, contingency grants to research scholars, study grants, etc.; and (4) conducting seminars, training courses, and workshops for the benefit of young social scientists in India. The Council's activities in all these areas during 1995-96 were as follows:

SURVEY OF RESEARCH IN SOCIAL SCIENCES

This scheme was launched in the year 1970 to monitor the state of social science research in the country. It was felt that these surveys of research already done would help the Council in formulating its research promotion policies and identifying priority areas of research. They were also meant to help in the teaching of social sciences in the Country.

Under this programme, an Advisory Committee of Social Scientists is formed for each subject separately. The Committee identifies the contributors who are requested to survey the literature on the subject for the stipulated period of that series. The progress of the surveys during 1995-96 is as follows:

SECOND SURVEY OF RESEARCH

POLITICAL SCIENCE (1969-79)

Prof. V. R. Mehta is the Chairman of this Survey. Out of the twelve trend reports already received seven trend reports, according to the decision of the Advisory Committee of the survey, are under publication as independent monographs and the rest are under evaluation/revision.

ECONOMICS (1970-79)

Prof. C. H. Hanumantha Rao is the Chairman of the Survey. Out of the thirteen trend reports already received eight trend reports, following the decision of the Advisory Committee of the Survey, have already been

published as independent monographs and the remaining five are under publication.

THIRD SURVEY OF RESEARCH

SOCIOLOGY AND SOCIAL ANTHROPOLOGY (1979-87)

Prof. M. S. Gore is the Chairman of the Survey. Twenty trend reports have been received so far and out of this five trend reports, following the decision of the Advisory Committee of the Survey, have already been published as independent monographs, eleven trend reports are under publication and the remaining four are under evaluation/revision.

PUBLIC ADMINISTRATION (1980-87)

Dr V. A. Pai Panandikar is the Chairman of the Survey. The survey is complete. The entire edited manuscript is under publication as a volume.

FOURTH SURVEY OF RESEARCH

GEOGRAPHY (1976-82)

Prof. G. S. Gosal is the Chairman of the Survey. The survey is complete. The entire manuscript is under publication as a volume.

PSYCHOLOGY (1982-92)

Prof. Janak Pandey is the Chairman of the Survey. Sixteen trend reports have been received, evaluated, and edited. The remaining three reports are being evaluated/ edited.

RESEARCH PROJECTS

PROJECTS SANCTIONED

At the beginning of the year 399 social science research proposals were under consideration. During the year 140 proposals were received. Of the total 539 research proposals 106 were sanctioned, 147 were rejected or recorded for various reasons and 287 were under consideration at the end of the year (Table 2.1).

PROJECTS COMPLETED

During the period 1995-96 a total of 53 project reports were received. Details of these reports may be seen at Appendix 4. All the reports received pertained to the years prior to the year 1995-96 and hence, they all are shown in the year to which they belong.

ICSSR-ICMR JOINT PANEL ON HEALTH

The activities of the First Panel came to an end in early 1992. Thereafter,

the panel was reconstituted. Dr S. P. Tripathy, Director General, Indian Council of Medical Research, New Delhi, became the Chairman. The reconstituted panel recommended that during the second phase a much more comprehensive research programme should be undertaken so that substantial inputs could be made into health policies and programmes that required to be pursued during the Ninth Five Year Plan. The Second Plan identified seven priority areas. Further, it is proposed to organize a national seminar on the 'Status of Health Care in India.' This national seminar would concentrate on three areas for indepth investigation and discussion. The panel also agreed to assign a status paper to each of the three areas to the following institutions :

1. Foundation for Research in Community Health, Bombay, 'Financing of Health Care.'
2. National Institute of Health and Family Welfare, New Delhi, 'Implementation of Health Programmes and Policies.'
3. Indian Council of Medical Research, New Delhi, 'Changing Patterns of Health Concerns.'

In addition to the status papers, it was decided that at least four supplementary papers on each theme covering the regional programmatic and sectoral aspects should be commissioned. Foundation for Research in Community Health has commissioned three supplementary papers and National Institute of Health and Family Welfare has commissioned four papers.

For preparing the draft statement the panel constituted a committee under the chairmanship of Dr N. H. Antia with Dr J. P. Gupta, Dr Mira Shiva, Prof. Pravin Visaria, Dr Saraswathi Swain as members. The committee met and has now submitted its final report on 'Draft Statement of Policy.'

During this period a preliminary meeting between Dr G.V. Satyavati, Director General, Indian Council of Medical Research and Prof. R. Radhakrishna, Member-Secretary, Indian Council of Social Science Research took place on 1 March 1996 at ICMR to take stock of progress made by the Programme.

In this meeting it was decided that the second meeting of the Joint-Panel on Health be convened and a National Seminar should be organized. The panel was once again reconstituted with Dr G.V. Satyavati as its Chairman. As regards the areas for in-depth discussions in the national seminar, it was decided to retain the same areas as was discussed in the

earlier national seminar. However, the title of the ICMR status paper was changed from 'Changing Patterns of Health Concerns,' to 'Changing Scenario of Health Concerns.' Since the Status Paper/Supplementary theme papers were prepared and submitted in 1993, it was felt that all the papers may need to be updated before their presentation in the national seminar.

TRIBAL STUDIES

All the four edited volumes, namely (i) 'Tribal Movements: A Perspective, Issues, and Trend' by Dr Kumar Suresh Singh, (ii) 'Command Over Resources' by Prof. S.N. Mishra, (iii) 'Development Designs and Tribal People' by Late Prof. S.C. Dube, and (iv) 'Paradigms of Tribal Self Management' by Dr Bhupinder Singh, are presently under publication.

FELLOWSHIPS

NATIONAL FELLOWSHIPS

The National Fellowships of the ICSSR are offered by the Council on its own initiative to outstanding social scientists in recognition of the excellence of their work and with a view to enabling them to continue with their academic pursuits. The total number of National Fellowships offered so far are 57, out of which 46 fellows joined the fellowship and 2 are likely to join in the near future.

OTHER RESEARCH FELLOWSHIPS

Senior fellowships are awarded primarily to social scientists having significant publications including books and/ or papers in professional journals to their credit. The Council has so far awarded 301 Senior and 136 General Fellowships. The post-doctoral fellowships which are named as General Fellowships are awarded to young social scientists who have been awarded Ph.D. degree and are interested in doing higher research. The Council has awarded 163 General Fellowships by March 1996. During the current financial year, 8 Senior Fellowships and 15 General Fellowships have been awarded. The details may be seen at Tables 2.2-2.4

CONTINGENCY GRANTS

During the year 1995-96, 15 contingency grants were sanctioned to Ph.D. scholars making a total of 1,233 such grants since the inception of the scheme. For Doctoral Fellowships sanctioned yearwise 1969-96, see tables 2.5 and 2.6.

STUDY GRANTS

Under the Study Grants, financial assistance at a specified rate is provided to scholars to cover the cost of travel for undertaking consultation of library materials not available near their places of research/residence. In all 68 scholars were sanctioned study grants by the ICSSR Regional Centres (Table 2.7).

13. A three weeks' training course in data processing for social scientists held at Council for Social Development, Hyderabad from 22 January-11 February, 1996.
14. A five days' research methodology workshop on 'Women's Studies' held at Alagappa University, Karaipudi on 20-24 March 1996.

III DOCUMENTATION

ICSSR has a documentation unit known as National Social Science Documentation Centre (NASSDOC) at 35 Ferozeshah Road, New Delhi to provide library and information services to social science community. This activity is virtually equivalent to what logistics is for defence and industry. For optimizing the results of research funding and research promotional activities such a service is an absolute necessity. In fact, documentation, data archival facilities, and dissemination of information through publications are the life support systems for a viable intellectual outfit in any country.

The National Social Science Documentation Centre (NASSDOC) provides regular services like literature search including bibliography compilation, documents delivery and referral services to the social scientists. The details of its activities during 1995-96 are as follows :

NASSDOC RESEARCH INFORMATION SERIES

The following mimeographed publications were brought out under NASSDOC Research Information Series :

1. *Bibliographic Reprints*, Nos. 32-35.
2. *Conference Alert* 1995, (2-4), 1996(1).
3. *Current Contents of Social Science Periodicals* Vol. 6 (2-4) 1995, Vol. 7(1) 1996.
4. *Conference/Seminar Papers available in NASSDOC* is in progress.
5. *APINESS Newsletter*, Nos. 17-19.

BIBLIOGRAPHIES ON REQUEST

Two hundred and ninety-six short bibliographies on various topics relating to Social Sciences were compiled and supplied on demand. Apart from this, photocopies of already compiled bibliographies available in NASSDOC were also supplied to scholars.

DOCUMENTATION PROGRAMMES

RETROSPECTIVE INDEX TO INDIAN SOCIAL SCIENCE PERIODICALS

Indexing and Editing of Retrospective Index to Indian Periodicals in Political Science is over and the data are ready for computerization.

Editing of Retrospective Index to Indian Periodicals in Economics is complete.

Indexing work of Retrospective Index to Indian Periodicals : Geography, History and Allied Disciplines from their inception to 1970 is in progress.

ANNOTATED BIBLIOGRAPHY ON AGED IN INDIA

Updating of the bibliography is in progress.

ACQUISITION OF PUBLICATIONS

In all, 977 monographs including 147 doctorals theses and 143 research project reports were included in the library collection.

ACQUISITION OF PERIODICALS

During the period 2,000 journals were acquired through subscription/exchange/grant-in-aid. Out of these 300 titles were subscribed during the year 1995-96. Seventeen daily newspapers and 15 other magazines were subscribed every month.

INTER-LIBRARY RESOURCES CENTRE

Under this, 785 documents were received as gratis and were added to the ILRC collection.

TECHNICAL PROCESSING

One thousand documents including books, reports, and theses were classified and catalogued for use in the library. The bibliographical data about research reports and doctoral theses are also kept in machine readable form.

INTER-LIBRARY LOAN AND DOCUMENT DELIVERY SERVICES

During the period 30 documents were issued from NASSDOC on inter-library loan to various institutions/libraries, 1,270 books and periodicals were borrowed on Inter-Library Loan from various Institutions/Libraries. NASSDOC provided 2,76,215 photocopies to the scholars by hand or by postal service on request.

READING ROOM

The reading room of NASSDOC is kept open from 9.30 a.m. to 6.00 p.m. on all days from Monday to Saturday except Sundays and Gazetted Holidays.

A total number of 3,242 research scholars visited the Library and consulted about 1,352 theses, 907 research reports, 974 books and 2,802 periodicals during the period under review.

VISITORS

In their study tour programme Library and Information Science students from various universities visited NASSDOC to acquaint themselves with its various types of documentation work and services. During the period the students from the following universities/institutions visited NASSDOC.

1. Doctor Harisingh Gour Vishwavidyalaya, Sagar.
2. Sri Venkateswara University, Tirupati.

APINESS NEWSLETTER

National Social Science Documentation Centre is the national focal point for APINESS (Asia-Pacific Information Network in Social Sciences) activities in India. It brought out APINESS Newsletter with partial subvention from UNESCO. The newsletter provides information about significant developments in social sciences in general and in the field of documentation and library and information services in particular in the region. The issue Nos. 17, 18, 19 of the newsletters were brought out and distributed free among important libraries and documentation centres of universities, research institutions and government departments in India and abroad.

EXCHANGE AND DISTRIBUTION

Editors and publishers/institutions of 60 journals were approached in India as well as abroad to establish exchange of journals/books with ICSSR journals/publications. The exchange agreements for 15 journals were finalized.

The following ICSSR journals were sent to the various institutions/libraries on mutual exchange basis both within the country and abroad :

1. *ICSSR Journal of Abstracts and Reviews : Economics* Vol. 20 No. 1-4, 1989.
2. *ICSSR Research Abstracts Quarterly*, Vol. 21 No. 1-4; Vol. 22 (1-2).
3. *ICSSR Journal of Abstracts and Reviews : Political Science*. Vol. 20 No. (2) July-Dec 1993.
4. *ICSSR Journal of Abstracts and Reviews : Sociology and Social Anthropology*, Vol. 20 No. 2 July-December 1991.
5. *ICSSR Journal of Abstracts and Reviews : Geography*, 17 (2) 1993.

GRANT-IN-AID FOR DOCUMENTATION AND BIBLIOGRAPHICAL SERVICES

Grant-in-aid for Documentation and Bibliographical services was released to the following Institutions/Associations during the period April 1995-March 1996. (See Appendix 6)

UNION CATALOGUE

The Union Catalogue of Social Science Periodicals : Delhi is ready for data entry into the computer.

The data of Social Science Periodicals of ILRC have been edited. Now the data are being entered into the computer so as to make it in machine readable form.

A proposed list of about 400 participating libraries of all over India has been made as a base to start the project of Union Catalogue of Social Science Periodicals. The work of updating of the Union Catalogue of States other than Delhi shall be started during the year 1996-97.

ICSSR DIRECTORIES

Updating of ICSSR Directory of Social Science Research Institutions in India and Compilation of Directory of Asian Social Science Research Institutions is in progress.

COMPUTERIZATION ACTIVITIES

Following databases were acquired : (1). ASSIA Plus (Applied Social Science Index and Abstract; (2) Econlit; (3) Psyclit; (4) ERIC; (5) DEVINSA; (6) Index to Economic & Political Weekly; (7) Bibliography on Indian Public Enterprises.

To cater to the social science community in an effective way NASSDOC further acquired PC-486 (5), CD-ROM drive (1), Scanner (1), Dot Matrix Printer (2), Laser Printer (1). This equipment runs in LAN environment under Novel Netware.

Bibliographic search service was provided to social scientists using different CD-ROM databases, namely (1) POPLINE, (2) Dissertation Abstracts on Disc-Humanities & Social Sciences, (3) Social Science Index.

NASSDOC has initiated computerising its housekeeping jobs and other major projects like Retrospective Indexing and Union Catalogue. This job shall be done in different phases. For this NASSDOC acquired LIBSYS software and the work has been initiated.

Directory of Social Science Research and Training Institutes in India was updated. This directory is updated using CDS/ISIS software version 3.07.

IV PUBLICATIONS

ICSSR NEWSLETTER

The Council publishes a quarterly *ICSSR Newsletter* which gives an account of the Council's major programmes and activities. Efforts to enlarge the scope of the Newsletter to include essential research information from other research institutes/organisations were continued. During the year, Vol. XXV No. 3, 4, Vol. XXVI No. 1, 2 were published.

The Council's programme of publication of journals covering a wide field of social sciences continued during the year. These journals disseminated information about research in social sciences by providing abstracts and reviews of major research works.

ICSSR RESEARCH ABSTRACTS QUARTERLY

The *ICSSR Research Abstracts Quarterly*, published directly by the ICSSR, contains abstracts of reports of research projects and fellowships financed by the ICSSR. During the year, Vol XXII No. 3-4 and Vol. XXIII No. 1-4 were published.

JOURNALS OF ABSTRACTS AND REVIEWS

The ICSSR continued to publish/assist journals, containing abstracts of research papers and reviews of important books published in different social science disciplines, details of which are as follows :

ICSSR JOURNALS OF ABSTRACTS AND REVIEWS

Journals	Number Vols. Published	Publishers/ Distributors
<i>ICSSR Journal of Abstracts and Reviews : Economics</i>	Vol. XX Nos 1-4	I.C.S.S.R. New Delhi.

Besides, a grant-in-aid for the year 1995-96 was sanctioned to the Indian Institute of Management, Ahmedabad for inclusion of abstracts and reviews in the field of Management in their Journal *Vikalpa*.

INDIAN JOURNAL OF SOCIAL SCIENCE

It is a quarterly journal started in 1988. It published original articles in social sciences. Its publication and sale is handled by M/S Sage Publications (India) Pvt. Ltd, New Delhi. During the year Vol. VIII No. 4 October-December 1995 was published.

PRICED PUBLICATIONS-RESEARCH SURVEY MONOGRAPHS

The following Surveys (Monographs) were brought out during the year :

1. *Tribal Ethnography* (Third Survey of Research in Sociology & Social Anthropology) 1979-89, Ajit K. Danda, Rs.40.
2. *Politics of Urbanization and Industrial Development*, Second Survey of Research in Political Science, Rakhahari Chatterji, Rs. 36.
3. *Fiscal Federalism in India*, Second Survey of Research in Economics, M. Govinda Rao and R. J. Chelliah, Rs. 90.

PUBLICATION GRANTS

Under the Publication Grants Scheme, doctoral theses, research reports, collections of Seminar/Conference Papers, reference works like bibliographies and encyclopedia are considered for publication grant. During the year, 11 research reports and 48 doctoral theses were awarded this grant. A list of theses and research reports is given in Appendix 7.

V DATA ARCHIVES

The Data Archives is engaged in developing a repository of research data, providing guidance and consultancy services in data processing to scholars along with eleven other research institutions, compiling National Register of Social Scientists in India and sponsoring training courses in research methodology and computer applications.

DATA REPOSITORY

The Data Archives is creating a repository of machine readable data by tapping different resources. However, most of the acquired data sets have been those of the ICSSR funded projects. The acquired data sets are documented and made serviceable for secondary analysis by interested scholars and institutions. Only those data sets which have a re-use potential and are supported by relevant documentation are acquired. The potential of data sets are assessed in terms of their topicality and extent of documentation relating to unit of observation, geographical coverage, sample size, storage media, questionnaire, sampling design, matching code books etc.

During the period under review, 57 project directors who had completed their projects were approached to collect relevant information. Negotiations are on with 50 other project directors who had completed their projects earlier for the acquisition of data sets. The following three important data sets were acquired during the year.

DATA ON INDIAN ECONOMY

A lot of useful basic data on Indian economy is compiled and published annually as an Appendix to the Economic Survey released by the Ministry of Finance, Government of India. In order to avoid wasteful duplication of effort and time in entering these data on computer media by scholars, the Centre for Economic and Social Studies, Hyderabad has computerized these data contained in various tables of the Economic Surveys up to 1993-94. The data have been created using LOTUS spread-sheet software package under DOS. The updation of data for subsequent years is quite easy in the present format. The Institute has donated these data floppies to the ICSSR Data Archives to enable scholars to utilize these data in their researches.

The data set contains time series statistical data on a number of economic indicators, like national income, budgetary transactions of the central and state governments, employment, monetary trends, prices, balance of payments, foreign trade, external assistance and population census, 1991. Copy of these data on floppies can be obtained by interested researchers and institutions at a nominal charge of Rs. 200 to cover the cost of floppy and computer time used in copying the data.

ASSEMBLY ELECTIONS IN MAHARASHTRA, 1995

The Data Archives acquired a data set on 1995 Assembly Elections in Maharashtra. This study was conducted by Professor Rajender Vora and Suhas Palashikar. The study is based on survey data collected from 1,055 voters in 15 constituencies chosen on the basis of random sampling method. A structured questionnaire was used to elicit information on voting preference, socio-economic background of respondents, exposure to mass media, etc. To put the survey data in its context, researchers also collected and generated profiles of various constituencies on the basis of information on contestants, campaign and region wise analysis of election results. The data are available on floppy along with a copy of the questionnaire, sampling design, and a complete set of code books.

EDUCATIONAL ATTAINMENT AND OCCUPATIONAL MOBILITY OF SC AND NON-SC IN RURAL-URBAN SETTING IN UTTAR PRADESH

The Data Archives also acquired a data set on Educational Attainment and Occupational Mobility of SCs and non-SCs conducted by Dr. V. B. Singh. This is a comparative study of SCs and non-SCs in rural-urban setting. Data were collected by administering questionnaires to 240 respondents (150 from rural areas and 90 from urban areas representing major groups of SCs, OBCs and non-SCs). The study attempts to focus on socio-economic background of respondents, problems faced by their respective castes, their opinion about political parties and leaders, reservation policy etc. The data are available on floppy supported by all relevant documentation.

NATIONAL REGISTER OF SOCIAL SCIENTISTS IN INDIA

The compilation of National Register of Social Scientists is a regular programme of the Data Archives. Scholars engaged in teaching and/or research in various social science disciplines are being approached through their respective institutes for collecting relevant information relating to their academic background, research interests, and publication. The collected information is being added to the computerised Data Base. Currently, this Data Base contains information about 5,000 social scientists and is being

selectively retrieved and used by the ICSSR and many other institutes, professional bodies, and individual scholars.

GUIDANCE AND CONSULTANCY SERVICES IN DATA PROCESSING

Research guidance is extended to researchers in tackling various data processing problems. The scholars provided guidance in the formulation of research design; construction of research tools; preparation of code books; selection of appropriate statistical technique for data analysis etc. Computer programming support is also extended if necessary. During the year 54 scholars have benefitted by this scheme being run throughout India. Besides the ICSSR Data Archives, eleven other research institutes are involved in extending these facilities to scholars. A list of the institutes participating in this programme can be seen in Appendix 10 and a list of scholars who have availed these facilities during the year are given in Appendix 11.

ICSSR REGIONAL CENTRES

Regional Centres were established as a part of the Council's programme of decentralizing administration, broadbasing social science research, and involving social science institutions in the regions in promoting social science research. Their main roles were defined as follows :

1. To represent the ICSSR within the region and spread the message and the programmes of the ICSSR to social scientists in the region;
2. Bring the ideas and problems of the social scientists of the region to the notice of the ICSSR for possible action ;
3. Bring the social scientists of the region closer for promoting of social science research within the region; and
4. Serve as a link between the social scientists of the region and the national and international community of social scientists.

The ICSSR has six Regional Centres. Their location and coverage are as follows :

1. Eastern Regional Centre, Calcutta covering Bihar, Orissa, Sikkim, West Bengal, and the Union Territory of Andaman and Nicobar Islands.
2. North-Eastern Regional Centre, Shillong covering Arunachal Pradesh, Assam, Manipur, Meghalaya, Mizoram, Nagaland, and Tripura.
3. North-Western Regional Centre, Chandigarh covering Haryana, Himachal Pradesh, Jammu & Kashmir, Punjab, and the Union Territory of Chandigarh.
4. Northern Regional Centre, New Delhi covering Madhya Pradesh, Rajasthan, Uttar Pradesh, and Delhi.
5. Southern Regional Centre, Hyderabad covering Andhra Pradesh, Karnataka, Kerala, Tamil Nadu, and the Union Territories of Lakshadweep and Pondicherry.
6. Western Regional Centre, Bombay covering Gujarat, Maharashtra, Goa, and the Union Territories of Daman and Diu, Dadra and Nagar Haveli.

A number of State Governments are providing financial assistance for the activities and programmes of the ICSSR Regional Centres. The Regional

Centres have been undertaking the following activities :

1. Promoting documentation and bibliographical work in the regional languages;
2. Organizing seminars/workshops/conferences in the region;
3. Organizing lectures by distinguished scholars;
4. Assisting regional professional associations of social scientists and social science journals in the regional languages;
5. Providing low cost accommodation (wherever possible) to scholars/students visiting the place for library or field work;
6. Awarding study grants to scholars for visiting libraries and institutions for work;
7. Providing photocopying facilities to scholars, especially providing photocopies of selected articles from journals etc; and
8. Any other activity which may promote social science research in the region and/or which may be delegated by the ICSSR.

Regional Centres have developed infrastructure and research support facilities over the years with the funds provided by the ICSSR and the State Governments. These include hostel/guest house facilities, additional library space, conference halls, seminar rooms, and reprographic facilities.

ACTIVITIES

✓ DOCUMENTATION AND BIBLIOGRAPHICAL SERVICES IN REGIONAL CENTRES

The Southern Regional Centre, Hyderabad has been providing documentation and bibliographical services in Telegu, Urdu, Tamil, Kannada, and Malayalam.

The Centre continued its work on theme oriented bibliographies and has indexed articles appearing in different social science journals, periodicals and books on child development.

It has a Government Document cell where reports of legislative committees, corporations and other agencies, budget papers and government publications received from the States of Jammu and Kashmir, Punjab, Meghalaya, Sikkim, and Karanataka are catalogued and brought out in the mimeographed form. The Centre also brought out its Newsletter in Telegu and Urdu regarding its activities during the year.

The Western Regional Centre, Bombay functions as a national centre for Marathi language and provided financial support to four social science

journals published in Marathi. The Centre financially supported thirteen conferences/seminars organized by various departments of universities and other social science research institutes.

The North-Eastern Regional Centre, Shillong has been entrusted to promote research on issues related to the economy and society of Assam and Meghalaya besides the work of area bibliography for North-East India. The Centre continued to provide financial assistance for the organization of seminars and workshops to various universities and colleges of the Region.

The Northern Regional Centre, New Delhi acts as National Centre to provide social science material to scholars in Hindi and English.

The Eastern Regional Centre, Calcutta is the national centre for Bengali and Oriya. Besides the editing of the Bibliography on Social Sciences Books in Bengali Language, the library organizes a data bank on media and its users specially concentrating on television.

The North-Western Regional Centre, Chandigarh being the Centre for Punjabi Language prepares cumulative index of social science books and periodicals in Punjabi Language. During the year, the Centre has brought out 'Social Science News Index' Volume No. 1. The Centre has started compiling bibliographies on current topics covering different areas/themes for the use of researchers, scholars, and members of the faculty of the universities and colleges of the region. During the period, three bibliographies were released.

RESEARCH INSTITUTES

The Indian Council of Social Science Research provides maintenance and development grants to 27 research institutes. Sponsoring of research institutes outside the scope of the University Grants Commission has been one of the major programmes of the Council in enlarging the base of social science knowledge, improving the quality of research, and promoting an interdisciplinary perspective. These institutes constitute an important mechanism for implementing the Council's policy of dispersal of research talents and building up of research capabilities in the different regions of the country, particularly in the areas where social science research is not yet well developed.

The Council has tried to implement the recommendations of the Review Committee of research institutes particularly in regard to the renewal of the faculty, upgrading of infrastructure and research facilities and encouraging areas of research beyond traditional academic boundaries. However, due to financial constraint, the Institutes could not be provided as much funds as they requested from the Council.

The Research Institutes have established close links with the scholars in the region as well as elsewhere through seminars, workshops, and training and consultancy programmes. Some of the institutes are closely associated with national and state level planning and development agencies and have thereby strengthened the links between research and policy making.

Each Institute decides about its own direction of research which includes a wide spectrum of subjects related to agricultural and rural development, industrial structure and growth, income distribution and poverty, employment and wages, interregional differences in levels of development, education, health, nutrition, problems of weaker sections of society including women, energy, technology, ecology and environment, and social, cultural, and institutional aspects of development. Thus, research studies have generated substantial empirical knowledge of the structure of Indian economy and society and their dynamics both at the national and regional levels.

Two hundred and thirty one research projects were completed in these institutes during the year under report. The total number of ongoing studies at the end of the year was three hundred and fifty seven.

TRAINING PROGRAMME

During the year, the Institute organized a 'Computer Training Programme for Doctoral Students in Social Sciences' during March 1996. More than twenty-five students from different universities/institutes in Delhi attended the course.

VISITING FELLOWS

One hundred and thirteen scholars from various universities visited the Centre for use of the databases and on-line indexes.

COMMUNICATION NETWORK

The Institute has gone for extensive communication networking. On the strength of its information system, the ISID has been chosen to host the NIC-ISID CO-OPERATION CENTRE for exchange of ISID 'Open Databases', in particular the OLI and Press Clippings Indexes.

The ICSSR institutes have become members of NIC's Research and Education Network (RENNIC) during 1995-96.

DATABASES AND DOCUMENTATION

(I) DATABASES

During the year, all the major databases were kept updated. Some of the important databases maintained by the Institute are: Exports and Imports (Custom House Data), Foreign Investment and Technology Transfer Agreements, Patents, Company Finances, Corporate Affiliations, and Share Price Data. Efforts are also underway to procure databases of international bodies either as CDs or on other computer media.

(II) ON-LINE INDEXES

In addition to data files, the Institute maintain an up-to-date On-Line Index (OLI) of articles, notes and other references published in major Indian economic and other social science journals. The OLI covering more than 55 journals is regularly kept updated and is accessible through the INTERNET.

Users can search for articles on the basis of either the author's name or a string(s) in the title. Press Clipping Index (PCI) has also been continued during the year.

ADVISORY ROLE

Various faculty members of the Centre were represented on various planning/ advisory bodies of Central and State Governments and universities.

LIBRARY

The library's collection of books is primarily in the area of industrial economics, corporate sector and related field. Reports of official committees, policy notifications and other public documents relating to the Institute's area of specialization are regularly obtained. To facilitate company level studies directories of various organizations are also obtained. The library also houses the clipping volumes numbering more than 1,100 and company prospectuses issued from time to time. UNCTAD, donated a number of volumes on UN Documents, Reports and source material to the Library. The Institute has also procured the Twenty Volume series: *UN Library of Transnational Corporations* with the financial support of IDPAD. Publications of GATT/WTO and UNCTC (now part of UNCTAD) are important constituents of the library. During the year more than 200 books were added to the library bringing the total collection to 10,230.

**AUDIT REPORT OF THE ACCOUNTS OF
INDIAN COUNCIL OF SOCIAL SCIENCE RESEARCH,
NEW DELHI FOR THE YEAR 1995-96**

INTRODUCTORY

The Indian Council of Social Science Research (Council) was registered in July, 1969 under the Societies Registration Act, 1860. The main objectives of the Council are to review, promote, encourage, assist and coordinate social science research. Audit of the accounts of the Council has been entrusted under Section 20(1) of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 for a period of five years from 1994-95 to 1998-99. The Council is financed mainly by grants from the Government of India. During 1995-96, the Council had received grants aggregating to Rs. 1054.38 lakhs (Plan Rs. 504.38 lakhs and Non-plan Rs. 550.00 lakhs).

2. COMMENTS ON ACCOUNTS

2(i) *Format of Accounts* : Though the Council came into existence in 1969, yet the format of accounts had not been approved as required under Rule 42(a) of the memorandum of association and rules of the Council.

3. STATUS OF REGIONAL CENTRES NOT SETTLED

The matter regarding non-settlement of the status of the regional centres of the Council was highlighted in the Audit Report for the years 1993-94 and 1994-95. Under the present collaborative arrangement, the payment made to the regional centres were being treated as grant-in-aid. The annual accounts rendered by these centres were not incorporated in the annual accounts of the Council. The Council paid grant-in-aid of Rs. 46.87 lakhs to its regional centres during 1995-96.

As the status of the Regional Centres still remained undecided, to the extent of the funds spent by regional centres, the accounts of the Council did not depict a true and fair view of the state of affairs of the Council.

4. BANK RECONCILIATION STATEMENT

Bank reconciliation statement as on 31-3-96, showed that cheques amounting to Rs. 216.18 lakhs were lying outstanding. Out of these, cheques worth Rs. 2,93,058 had become time barred and to be written back to Council's account. Council stated, in December 1996, that action to write back the amount of cheques of Rs. 2,34,398 issued upto 1994-95 to Council's accounts has been taken during 1996-97.

INDIAN COUNCIL OF SOCIAL SCIENCE RESEARCH
NEW DELHI FOR THE YEAR 1995-96**

INTRODUCTORY : No Comments

2. COMMENTS ON ACCOUNTS

2(i) Format of Accounts :

The Council maintains its accounts in the form prescribed for Government Departments. Annual Accounts are prepared in the form of Receipts and Payments Account, Income and Expenditure Account and Balance Sheet (Proforma)

3. STATUS OF REGIONAL CENTRES NOT SETTLED

The status of the Regional Centres is proposed to be reviewed in consultation with Directors of the Centres.

4. BANK RECONCILIATION STATEMENT

The value of cheques issued upto 30-9-1995 but outstanding on 31-3-1996 which had become timebarred was Rs. 2,79,553/-. Of this, a cheque for amount Rs. 22,550/- was cancelled and a new cheque issued in April, 1996. Cheques for the balance amount namely Rs. 2,57,053/- have been written back in the Council's accounts and necessary credit taken in 1996-97.

- Note :1. The value of gifted books reflected in the balance sheet does not include the value of unpriced books received as gift as it is not possible to assess their cost.
2. As on 31st March 1995, the value of books shown in the accession register is Rs. 72.30 lakhs while the value of books shown in the balance sheet (including priced gifted books) is Rs. 84.29 lakhs. The difference is due to the fact that journals are not entered in the accession register but are accounted for under KARDEX System. The value of books shown in the accession register is also the gross amount while the value of books in the accounts is net amount after discounts. During the year 1995-96 an amount of Rs. 19069/- was received as discount on books purchased.
